Organizations subscribe to offer key benefits to staff/members:

- Listen live or listen later to industry leaders
- Join a learning community with other career professionals
- Apply speakers' activities immediately
- Earn continuing education hours

Listeners say:

Thank you so much for this opportunity! It was inspiring and informative. I've jotted down new ideas that I look forward to using with clients and for myself!

I only wish I had discovered this resource earlier.

Thank you for providing this—frankly—invaluable resource.

... exactly what I needed to listen to today. I've got clients who will benefit ...

... very energizing ... I'm already looking forward to hearing the recording of the call (more than once, I suspect) to reflect on ways to incorporate the rich gifts shared on the call into my own life and career, as well as using them to help clients ...
